

All important at a glance!

inMotion

P A R K • Steinberg am See

Welcome to inMotion PARK Steinberg am See

It goes high – let yourself be inspired and move!

Here you will find the world's largest walk-in inMotion wooden sphere with 40 meters high!
The multi-generational inMotion PARK offers extraordinary worlds of movement, nature experience and recreation in one place – in the wonderful scenery of the largest lake in Eastern Bavaria.

On the next pages you will find everything you need for your visit and journey - at a glance and convenient to print!

inMotion wooden sphere

What you can do in our inMotion wooden sphere:

- » Around 700 meters walkable path inside the sphere with a barrier-free slope of 6%
- » Over 30 optional adventure and movement stations, to strengthen physical coordination, fitness and balance
- » Exciting information about our planet
- » An adventurous suspension bridge at a height of 25 meters
- » A fantastic panoramic view from the viewing platform at 40 meters height
- » A rapid shortcut on the way down over the giant slide

Outdoor facilities

There is a big offer also in the public accessible area:

- » adventure playgrounds with exceptional playground equipment, such as the 6-meter eagle's nest, a great ship with a sandbox
- » Various relaxation and chill-out zones with comfortable lying areas and cozy open spaces
- » Exhibited objects by the artist Willi Leo Hengge to admire and use
- » Funny photo spot for your personal souvenir on the inMotion wooden sphere
- » Fantastic location directly at Steinberger See with access to the lake and bathing area
- » WakeBoard, mini Golf Course, walking and biking path around the lake, StandUp Paddeling and much more in the immediate vicinity

Restaurant by the sphere – the “Kugelwirtschaft”

We have several options for your physical well-being:

- » Varied food and drinks menu with regional and creative cuisine
- » Family-friendly gastronomy with highchairs for children, microwave, kid-stools on the vanities, diaper change tables, wide passageways, storage for buggies, family days, etc.
- » self-service restaurant
- » Cozy interior and a large lake view terrace for you to enjoy your meal outside
- » Indoor playground with bouldering wall, reading and painting corner
- » Shop with local and sustainable products
- » Also ideal for your next birthday party

Programme/Events:

There is a regular programme of events:

- » supervised children's program
- » Seasonal events and family days

How to get there & Parking for Cars and motorcycles

You will find us in the immediate vicinity of the A93 highway between Hof and Regensburg at exit Nr. 34 Schwandorf-Süd/Steinberg am See. From there, please follow the signs "Erlebnisholzkugel".

How to get there & Parking for buses

There are 3 bus parking spaces on the sea side in the direction of travel. Other bus parking spaces are available on request nearby.

Suggestions/Tips

For totally enjoyable experience with us, please note that:

- » There are two large **parking places** next to the inMotion PARK. There is a space for around 300 cars and 3 buses. Please note that parking place is operated by the community and is charged.
- » For your own safety and free movement at the stations, leave big backpacks and bags in the car. All dangerous and sharp objects like glass bottles, umbrellas and penknives are not allowed in the inMotion wooden sphere.
- » The average **length of stay** is between 1.5 and 2.5 hours.
- » **Smoking** is strictly prohibited within the paid area.
- » **Animals** are unfortunately not allowed in the paid area. For your four-legged friends there are dog boxes available on the left side from the inMotion wooden Sphere.
- » There are well-behaved dogs allowed in the gastronomy. Your four-legged friend is not allowed to enter the self-service area, but must remain sitting at the table.
- » If you want to use the slide for the descent of the sphere, please remember to get a sliding rug at the cashier. Unfortunately, you cannot use the giant slide without it.
- » The **slide** is allowed for everyone from 6 years and/or a size of 1.30m. There is only one person per sliding rug allowed. You can find the exact instructions at the entrance to the slide on the first platform.
- » The **last entry** into the closed area is 1 hour before closing. The exit is possible at any time.
- » Access to the restaurant and playgrounds is available to all, during regular opening hours.
- » As the InMotion PARK is accessible to all, one companion of a **person with disability** and the identification „B“ in his ID card, is free of charge.
- » The sphere tower is „barrier-poor“, it means you can reach the viewing platform with the **wheelchair** and the **stroller** easily without any steps. There are wheelchairs and rollators available to hire.
- » The inMotion wooden sphere is an outdoor attraction and therefore weather dependent. If you are “weatherproof” you can access the sphere, even if there is rain.
- » **Weather-related closures** or restrictions are possible at any time for safety reasons. Unfortunately strong wind or snowfall make the access impossible. Please understand and note the actual information on the website **www.dieholzkugel.de**!
- » The general terms and conditions of the inMotion PARK apply.

We wish you a pleasant journey and lots of fun in the inMotion PARK Steinberg am See.
